

# TEACHER WORKSHOPS

at The Draft Restaurant  
on the Concourse Level

## MUSIC AND MATH 11:30 AM - 1:00 PM

Music Notes will teach Expanded Learning Program staff how to use songwriting as a strategy to actively engage students with learning. Songwriting provides a platform for students to collaborate with one another and provides an opportunity to share their voices.

Presented by Music Notes and the SDCOE System of Support for Expanded Learning Programs

## ILLUMINA GENOMICS DISCOVERIES 2:00 PM - 3:00 PM

Calling all Educators! Interested in learning about ways to bring industry-relevant knowledge and genomics expertise into your classroom? Join us for a workshop session at the San Diego Festival of Science and Engineering. Bring your kids and families along! They will have the opportunity to be scientists for the day while you are provided information about the curriculum that dives into DNA sequencing techniques and applications, genomics classroom resources, and subject-matter training opportunities.

Presented by Biocom California Institute
